Reminded everyone that pace of play is still a major concern, and it's okay for a couple to leave the green to take up the tee on the next hole

The next special game is Trivia Golf - Jan 20-- bring your \$5 and signup that day.
The Feb. 17 game is "Asian New Year" -- Red and gold are the colors. Bring \$5 on that day.

If you need to cancel golf reservation at the last minute, call Linda Kurowski first, then the golf desk—last minute cancellations only.

2nd V.P – Vicki Merson –

Club Championship Tournament – May 12, 19 and 26. Dates for President's Cup Tournament – Sept. 8 and 15. To maintain Tournament eligibility, a member must attend five general meetings in 12 months.

Membership – Linda Martin - We have a new member, Tess James, who has completed the 60 day free trial and became an official active member.

Shari Stellhorn – explained how to use the new cart range finder to keep track of your score.

Sharon Araki was awarded a \$100 gift certificate for all her beautiful work as our photographer for the Mile Square Golf Club Bulletin Board. She passed out envelopes to all those who were featured in her artistically placed photos on colored backgrounds.

WPLGA: - Marlene McConville, signups are next week for Recreation Park in Long Beach or Mile Square. It's important to get participation points by signing up for association days because oftentimes you may not have enough points to qualify to play in a tournament. With over 1700 members, the competition is difficult.

Golf Genius – Janice Grace – Nothing new to report

New Business:

Social Chair: We need a volunteer! Social Chair would set up Christmas golf banquet, and advantage this year is we have lovely Christmas themed centerpieces that have been donated for us to use.

Handicap - Cheryl Kamishin – A Board decision was to make next year's Christmas Holiday tournament on Dec. 8. Christmas party will be on December 15, (no golf that day) and because we like their service, we'll have the party at Mile Square Banquet Room.

Ringer – Lollie Destatte – passed out Ringer Rules on how she calculates ringer scores. Each player must post hole by-hole. Payouts are 2 times a year.

Sunshine: Darlene March will send Kay Donnelson a card from our club to let her know we are thinking about her.
